

Village of Port Alice **CERTIFIED RESOLUTION**

From The Council Meeting
Held On
12 January 2011

National Co-operative Education Week Proclamation March 21 – 25, 2011

19/11

Whereas, Co-operative Education is a program integrating theoretical study and practical work experience whereby students participate alternatively in the classroom and on the job;

And whereas, Co-operative Education gives students the opportunity to apply classroom studies in a practical environment thereby enriching their education, developing maturity and increasing motivation while earning money;

And whereas, the employer identifies opportunities for long-range employee succession through Co-operative Education, which provides a streamlined recruitment and training program, frees regular staff from challenging but essential projects, enables business and industry to participate in and influence higher education, thus creating mutual ties;

And whereas, Co-operative Education fosters an extension of the educational institution to reach a larger segment of the community through utilizing actual business and industry facilities while keeping abreast with leading practices, procedures and technology;

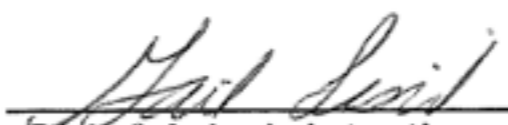

And whereas, through provincial, national and overseas placements, Co-operative Education promotes sustained global connections, offers students the opportunity to broaden their language skills and to work and study in Canada and beyond;

Now, therefore, I Gail Neely, Mayor for the Village of Port Alice in the Province of British Columbia, DO HEREBY PROCLAIM the week of March 21st to March 25th, 2011 as

“CO-OPERATIVE EDUCATION WEEK“

CARRIED
